13 January 2010

Dear Parents/Guardians

I am writing to inform you that Mr Lightman's appointment as General Secretary of the Association of School and College Leaders has now been confirmed. Mr Lightman will be taking up his new post on 1 September 2010 and will therefore be leaving St Cyres at the end of the Summer Term.

The Governing Body has put in place an appointments committee which I will chair and will lead the process of appointing a new Headteacher. The post will be advertised later this week and interviews will take place during March.

I should like to take this opportunity to wish Mr Lightman good luck in his new post and to thank him for the superb way in which he has taken the school forward during his 11 years as Headteacher of St Cyres School. I am sure you will join me in wishing him well.

Yours sincerely

Mrs A Males OBE  
Chair of Governors
