

C7 Home School Agreement

All parents are issued with a Home School Agreement when their children join the school. They, the form tutor and the pupil are asked to sign it and return a copy for the pupil's file. The purpose of this agreement is to make an undertaking to work in partnership and accept that this partnership is a three way process. Teaching staff are encouraged to draw upon and quote this agreement when discussing problems with parents and pupils. A copy is reproduced in the pupil planner. Please note that signature of the agreement by parents cannot be required as a condition of admission. Nevertheless, where parents refuse to sign it this should be referred to the Head teacher who will make contact and seek parental support.
